

23. UGOSTITELJSTVO

METODOLOŠKA OBJAŠNENJA

Izvori i metode prikupljanja podataka

Izvori su podataka o ugostiteljstvu redovita statistička istraživanja: Tromjesečni izvještaj ugostiteljstva za pravne osobe (UG-11), Tromjesečni izvještaj ugostiteljstva za obrtnike (UG-11/OBRT) i Mjesečni izvještaj o dolascima i noćenjima turista (TU-11).

Tromjesečni izvještaj ugostiteljstva za pravne osobe (UG-11) provodi se izvještajnom metodom te obuhvaća sve pravne osobe i dijelove pravnih osoba koji obavljaju ugostiteljsku djelatnost.

Tromjesečni izvještaj ugostiteljstva za obrtnike (UG-11/OBRT) provodi se izvještajnom metodom i obuhvaća obrtnike koji se bave ugostiteljskom djelatnošću.

Mjesečni izvještaj o dolascima i noćenjima turista (TU-11) provodi se izvještajnom metodom i obuhvaća sve poslovne subjekte (pravne osobe i obrtnike) koji obavljaju ugostiteljsku djelatnost pružanja usluga smještaja turistima te kućanstva koja iznajmljuju smještaj turistima.

U tablici 23-2. iskazani su smještajni kapaciteti (broj soba, apartmana, mjesta za kampiranje, vezova i postelja) za sve ugostiteljske objekte koji pružaju usluge smještaja turistima. Izvor podataka jest Mjesečni izvještaj o dolascima i noćenjima turista (TU-11). Obuhvaćene su pravne osobe (uključujući luke nautičkog turizma), obrtnici i kućanstva.

Obuhvat i usporedivost

Tromjesečnim izvještajem ugostiteljstva za pravne osobe (UG-11) obuhvaćene su sve pravne osobe i dijelovi pravnih osoba koji obavljaju ugostiteljsku djelatnost.

Tromjesečni izvještaj ugostiteljstva za obrtnike (UG-11/OBRT) provodi se metodom uzorka. Okvir za uzorak jest datoteka obveznika poreza na dohodak Porezne uprave. Obuhvaćeni su obrtnici izabrani metodom slučajnog izbora koji su u datoteci obveznika poreza na dohodak registrirani u djelatnosti ugostiteljstva. Od 1996. do 1998. podaci se nisu prikupljali izvještajnom metodom, nego su se obrađivali godišnje iz datoteke obveznika poreza na dohodak.

U tablici 23-1. za godine od 1982. do 1995. iskazani su zbirni podaci za sve ugostiteljske poslovne subjekte, pravne osobe i obrtnike. Od 1996. posebno su iskazani podaci za pravne osobe, a posebno za obrtnike.

Definicije

Ugostiteljska djelatnost jest djelatnost pripremanja hrane i pružanja usluga prehrane, pripremanja i usluživanja pića i napitaka te pružanja smještajnih usluga (Zakon o ugostiteljskoj djelatnosti; NN, br. 49/03. i 117/03.). Prema Nacionalnoj klasifikaciji djelatnosti 2002., to su sve djelatnosti iz područja H Hoteli i restorani (osim djelatnosti studentskih i učeničkih domova i ostaloga neturističkog smještaja, koji se također razvrstavaju u područje H). U skladu s definicijom ugostiteljske djelatnosti obuhvaćene su i djelatnosti pružanja smještajnih usluga turistima koje se obavljaju u kupališnim i klimatskim lječilištima (koja su razvrstana u razred 85.11 po NKD-u 2002.). Smještajne usluge koje se pružaju u lukama nautičkog turizma prate se redovitim Mjesečnim izvještajem o dolascima i noćenjima turista (TU-11) te posebnim statističkim istraživanjem (TU-18) i iskazane su u poglavlju Turizam ovog ljetopisa.

Ugostiteljskim objektom smatra se ugostiteljska poslovna jedinica koja u poslovnom, građevinskom i funkcionalnom pogledu čini cjelinu ili koja, u okviru šire građevinske cjeline, ima izdvojeni prostor i potrebnu funkcionalnost. Ugostiteljski objekti s obzirom na vrste ugostiteljskih usluga koje se u njima pružaju mogu biti:

– smještajni objekti – objekti u kojima se pružaju usluge smještaja, prehrane, pića, napitaka i slastica

HOTELS AND RESTAURANTS

NOTES ON METHODOLOGY

Sources and methods of data collection

The source of data on hotels and restaurants are regular statistical reports: the Quarterly Report on Hotels and Restaurants for Legal Entities (UG-11 form), Quarterly Report on Hotels and Restaurants for Tradesmen (UG-11/OBRT form) and Monthly Report on Tourist Arrivals and Tourist Nights (TU-11 form).

The Quarterly Report on Hotels and Restaurants for Legal Entities (UG-11 form) is carried out by using the reporting method and covers all legal entities and parts thereof engaged in the hotel and restaurant activity.

The Quarterly Report on Hotels and Restaurants for Tradesmen (UG-11/OBRT form) is conducted by using the reporting method and includes natural persons (tradesmen) engaged in hotel and restaurant activities.

The Monthly Report on Tourist Arrivals and Tourist Nights (TU-11 form) is conducted by using the reporting method and covers all business entities (legal entities and tradesmen) engaged in the hotel and restaurant activity of providing accommodation for tourists as well as households that render accommodation services to tourists.

The table 23-2 presents accommodation capacities (number of rooms, suites, camping sites, moorings and beds) for all hotel and restaurant facilities that provide accommodation for tourists. The data source is the Monthly Report on Tourist Arrivals and Tourist Nights (TU-11 form). Legal entities (including nautical ports), tradesmen and households are included in the Report.

Coverage and comparability

The Quarterly Report on Hotels and Restaurants for Legal Entities (UG-11 form) presents data on all legal entities and parts thereof engaged in the hotel and restaurant activity.

The Quarterly Report on Hotels and Restaurants for Tradesmen (UG-11/OBRT form) is conducted by using the sampling method. The Tax Administration Office data base of income tax payers serves as a sampling frame. It includes tradesmen selected by the random choice method registered in the data base as income tax payers in the hotel and restaurant activity. In the period from 1996 to 1998 data were not collected by the reporting method, but were annually processed from the data base of income tax payers.

The table 23-1 presents the summary data on all business entities, legal entities and tradesmen engaged in the hotel and restaurant activity in the period from 1982 to 1995. Since 1996 data on legal entities and data on tradesmen have been presented separately.

Definitions

Hotel and restaurant activity includes food preparation and other food provision services, preparation and serving of beverages and accommodation services (the Hotel and Restaurant Activity Act, NN, Nos. 49/03 and 117/03). According to the NKD 2002., this covers all activities classified in section H Hotels and Restaurants (excluding youth hostels, children's boarding homes and other non-tourist accommodation, which are also classified in section H). In line with the definition of the hotel and restaurant activity, this also includes accommodation services to tourists in spas and health resorts (classified under the NKD 2002. class 85.11). Accommodation services in nautical ports are surveyed by the regular Monthly Report on Tourist Arrivals and Tourist Nights (TU-11 form) as well as by a separate statistical survey (TU-18 form) and are presented in the Tourism chapter.

Hotel and restaurant facility is a business unit in the hotel and restaurant activity, which forms a whole in the business, construction and functional sense or which functions like one within a bigger construction unit. Depending on the type of services they provide, hotel and restaurant facilities are categorized in the following categories:

- accommodation facilities – facilities providing accommodation services, food, drinks, beverages and confectionery
- hotel and restaurant facilities – facilities serving food, drinks, beverages

- ugostiteljski objekti – objekti u kojima se pružaju usluge prehrane, pića, napitaka i slastica
- catering objekti – objekti u kojima se pripremaju jela, slastice, pića i napici za konzumiranje na drugome mjestu sa ili bez usluživanja.

(Zakon o ugostiteljskoj djelatnosti – pročišćeni tekst, NN, br. 49/03. i 117/03.).

Prema Pravilniku o razvrstavanju, minimalnim uvjetima i kategorizaciji ugostiteljskih objekata (NN, br. 57/95., 110/96., 24/97., 61/98., 137/98., 19/99., 39/99., 43/00., 52/00., 57/00., 63/00., 18/01., 33/01., 48/02., 108/02., 132/03., 175/03. 52/04., 106/04. i 84/05.), od 2002. provodi se prekategoriizacija ugostiteljskih objekata na nove vrste i kategorije.

Pod **poslovnim jedinicama** kod pravnih osoba podrazumijeva se broj ugostiteljskih objekata, a kod ugostitelja obrtnika podrazumijeva se broj ugostiteljskih radnji.

Postelje u ugostiteljskim objektima za smještaj obuhvaćaju stalne i pomoćne postelje, sa stanjem 31. kolovoza. Broj stalnih postelja obuhvaća broj postelja koje su redovito pripremljene za iznajmljivanje gostima. Broj pomoćnih postelja obuhvaća broj postelja koje se prema potrebi pripremaju za iznajmljivanje gostima i rezervne postelje kojima se smještajni kapaciteti dopunjuju u sezoni.

Broj zaposlenih prema metodologiji obuhvaća sve osobe koje stvarno rade u ugostiteljskoj poslovnoj jedinici bilo na neodređeno bilo na određeno vrijeme uključujući vlasnike. Kod poslovnih subjekata koji su prema pretežnoj djelatnosti registrirani u području H NKD-a 2002. uključuju se i zaposleni u upravi poslovnog subjekta i u pomoćnim službama.

Promet u ugostiteljstvu obuhvaća vrijednost obavljenih ugostiteljskih usluga – posluživanja hranom i pićima, usluga smještaja i ostalih usluga koje se uobičajeno pružaju uz osnovne ugostiteljske usluge bez obzira na to jesu li naplaćene. U promet je uključen porez na dodanu vrijednost.

Promet kod ugostitelja obrtnika za godine od 1996. do 1998. čini ukupna osnovica za oporezivanje porezom na promet proizvoda i usluga, odnosno ukupne isporuke s porezom na dodanu vrijednost od 1999. nadalje.

Broj sjedala za stolovima i šankovima obuhvaća sjedala u zatvorenim prostorijama, na terasama i drugim mjestima na kojima se pružaju ugostiteljske usluge.

Ž = županije
G = gradovi
O = općine

and confectionery

- catering facilities – facilities preparing food, confectionery, drinks and beverages to be consumed elsewhere, with or without serving.

(The Hotel and Restaurant Activity Act – consolidated text, NN Nos. 49/03 and 117/03).

Since 2002, the re-categorisation of hotel and restaurant facilities to new types and categories has been done according to the Regulation on Classification, Minimal Conditions and Categorisation of Hotel and Restaurant Facilities (NN, Nos. 57/95, 110/96, 24/97, 61/98, 137/98, 19/99, 39/99, 52/99, 43/00, 52/00, 63/00, 18/01, 33/01, 48/02, 108/02, 132/03, 175/03, 52/04, 106/04 and 84/05).

Business units include the number of hotel and restaurant facilities when legal entities are concerned and the number of private hotel and restaurant units when tradesmen are concerned.

Beds in accommodation facilities include permanent and temporary beds, with the situation as on 31 August. The number of permanent beds includes beds permanently ready for renting. The number of temporary beds includes beds prepared according to needs and demand, as well as beds extending the accommodation capacity during the full season.

According to the methodology, the number of persons in employment includes all persons employed for fixed or unspecified period, including owners. Business entities registered in the NKD 2002. section H according to their prevailing activity also include persons employed in administration and supporting services.

Turnover in hotel and restaurant activity includes the value of provided goods and non-goods services – food and drinks, accommodation and other services accompanying basic hotel and restaurant services, irrespective of the fact whether the services have been paid for. VAT has been included in the turnover.

Turnover for the years from 1996 until 1998, when tradesmen are concerned, includes the total basis imposed as a tax on the turnover of goods and services, that is, the total delivery, VAT included, since 1999.

Number of seats at tables and bars comprises restaurant seats and seats on terraces and other places where hotel and restaurant services are available.
